

## CONVERSATIONS

NUMBER 110  
SEPTEMBER 2021

1. Have you thrown anything out lately, de-cluttered so that you can free up space? It helps if you can re-cycle what you don't need as a first requirement. But this also helps to de-clutter your life and thinking. Can you throw out 5 items a day for the month of September?
2. Do you take caring for Mother Earth seriously? If so, what steps have you taken recently to reduce your carbon footprint? Can you pass on any good ideas?
3. Have you resumed coming back to church yet? Just ring to let us know if you'd like to come. If you watch our Masses online have you any suggestions as to how we can make it better for you?
4. In preaching on the Gospel each day and weekend, I'm sharing something of what I need to learn from the Word of God. I'm doing what I hope you too are doing, taking some encouragement, challenge or thanks from what the Scriptures tell us. Do you have a habit of doing this?
5. These restrictive COVID months have hopefully helped us to appreciate spending time with family and friends. In the light of this, are you doing more for the people who are significant in your life?
6. Where is heaven on earth for you? What place and/or people make up your ideal place to be? Think big. No expense spared. What does this say about what's important to you?
7. The world, the Church, the family can never be free of problems. Do you pray for as well as worry about the people of Afghanistan, Lebanon, Ethiopia and many of the other critical countries of the world? Should you? Do you think our Government should have reduced international aid?

Thank you
