

For practising Christians, or for people with some Christian background, who wish to renew their faith in the Season of Lent. For use in churches, parishes, school staff rooms, school parent groups, etc.

Sycamore is an informal course about the Christian faith and its relevance for life today. It gives you space to meet other people, share ideas, explore your beliefs, and think about questions that really matter.

Each session involves a short film and plenty of time for discussions.

“ I finally found an opportunity to think about my life.”

“Interesting and thought-provoking discussions.”
